## DeZavala-Shavano Veterinary Clinic Portable Fire Extinguisher Employee Training Log

The following Clinic employees have been trained on the proper use of the portable fire extinguisher. Training included identification of an extinguishable and non-extinguishable fire as well as procedures for the use of the portable fire extinguisher using the acronym **PASS**: **Pull**, **A**im, **S**queeze, and **S**weep. By initialing below, the employee acknowledges receiving training on the proper use of the portable fire extinguisher and agrees to apply such training when reasonably safe to do so in the event of a fire.
